To Whom It May Concern
Letter of Recommendation

It is my great pleasure to recommend Mr **ASHENAFI MESSELE GIZAW**, whom I have known since 2022 as a student in the Department of Computer Science, College of Informatics, at the University of Gondar.

I taught **ASHENAFI** the course **Advanced Database Systems**, where he consistently demonstrated excellent academic performance, technical competence, and a strong commitment to learning. He developed a solid understanding of advanced database concepts, including database design and development, transaction processing, concurrency control, recovery techniques, and database security. He successfully analyzed complex problems and completed both theoretical and practical assignments with accuracy and professionalism.

ASHENAFI is a hardworking, disciplined, and highly motivated student who approaches his studies with dedication and initiative. He is eager to learn new concepts and consistently demonstrates perseverance when tackling challenging problems.

In addition to his academic strengths, **ASHENAFI** is respectful, kind, dependable, and an excellent team player. He communicates effectively, collaborates well with others, and has shown leadership qualities during group assignments. His professionalism, integrity, and positive attitude have earned the respect of both his classmates and instructors.

Based on his academic achievements and personal character, I highly recommend Mr **ASHENAFI MESSELE** for graduate studies, scholarships, internships, or professional employment. I am confident that he possesses the knowledge, work ethic, and personal qualities necessary to succeed and make valuable contributions to any institution or organization.

Please feel free to contact me if you require any additional information regarding Mr **ASHENAFI**'s qualifications or character.

Sincerely,

Misganaw Abeje Debasu

Lecturer and Head, Department of Computer Science
College of Informatics, University of Gondar
